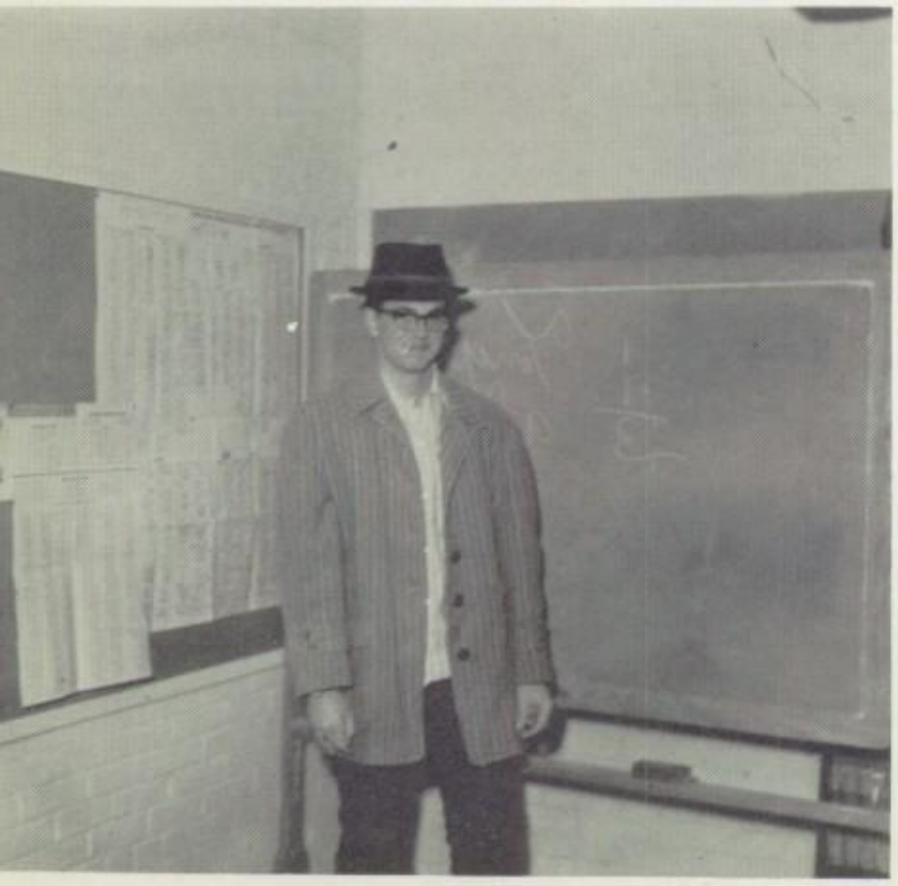
Journey with us through the years 1963-1964 when we all climbed for higher education.

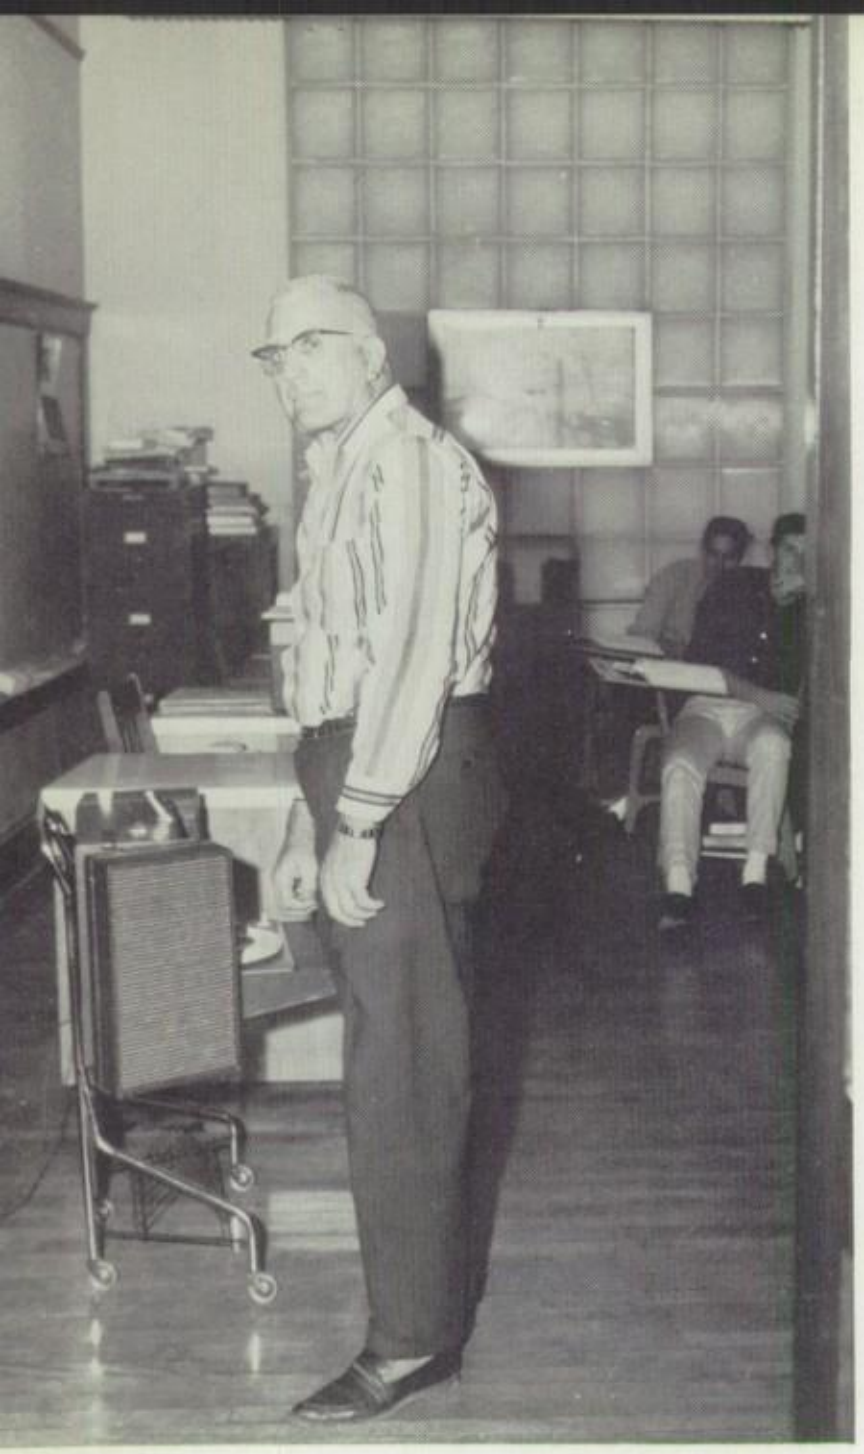
Maybe it will hold for another year.

And during the Renaissance. . .

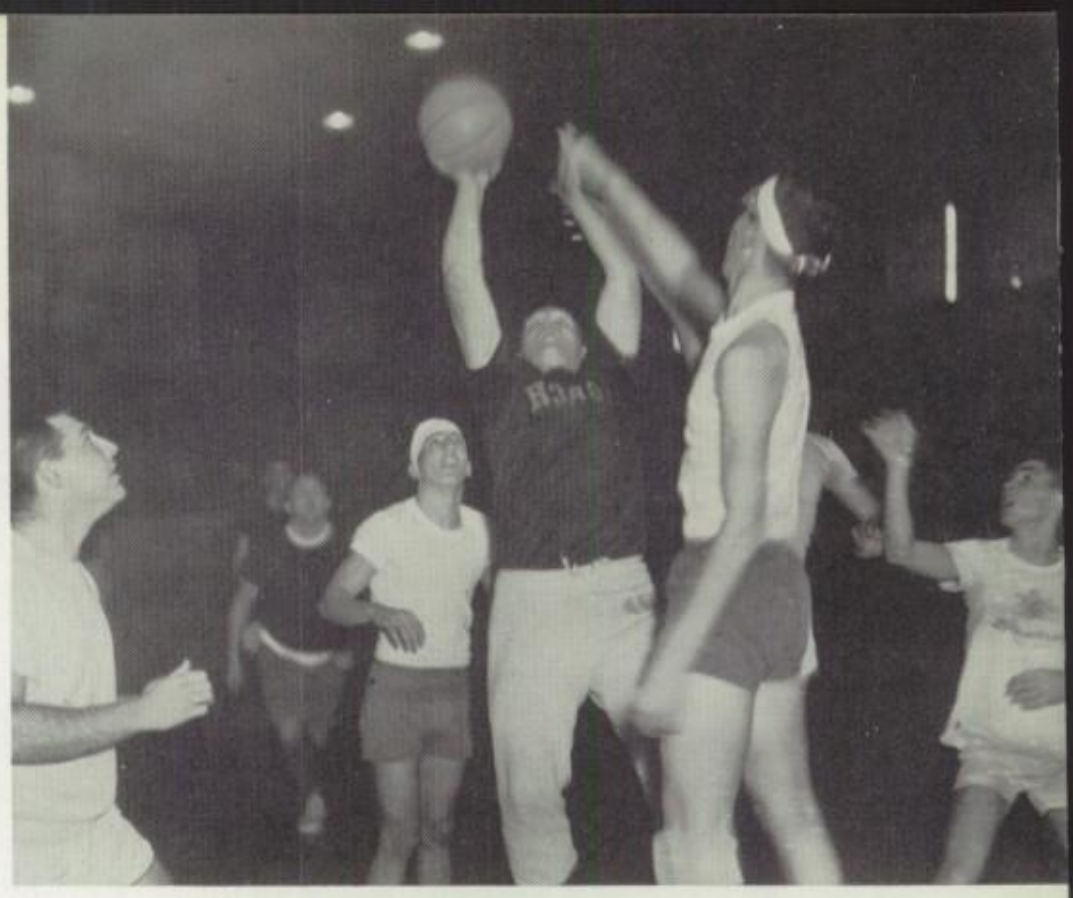


Mr. Borgini, how you've changed!!!

Won't these kids ever learn to clean up after themselves?



All right, you guys, who stole the phonograph needle?



Hey Coach, your shirt's on backwards!

Boy, this is hard work!

Pull out a sheet of paper!

Faculty

With the help of our faculty, we prepare ourselves for our future. Gillespie's administrators, teachers, and other staff members give freely their time and energy in promoting the school and its activities. Their interest in the students as individuals enables them to help with educational, vocational, and personal problems. Their enthusiasm toward the school is contagious and is often the spark that starts students on their way to success.

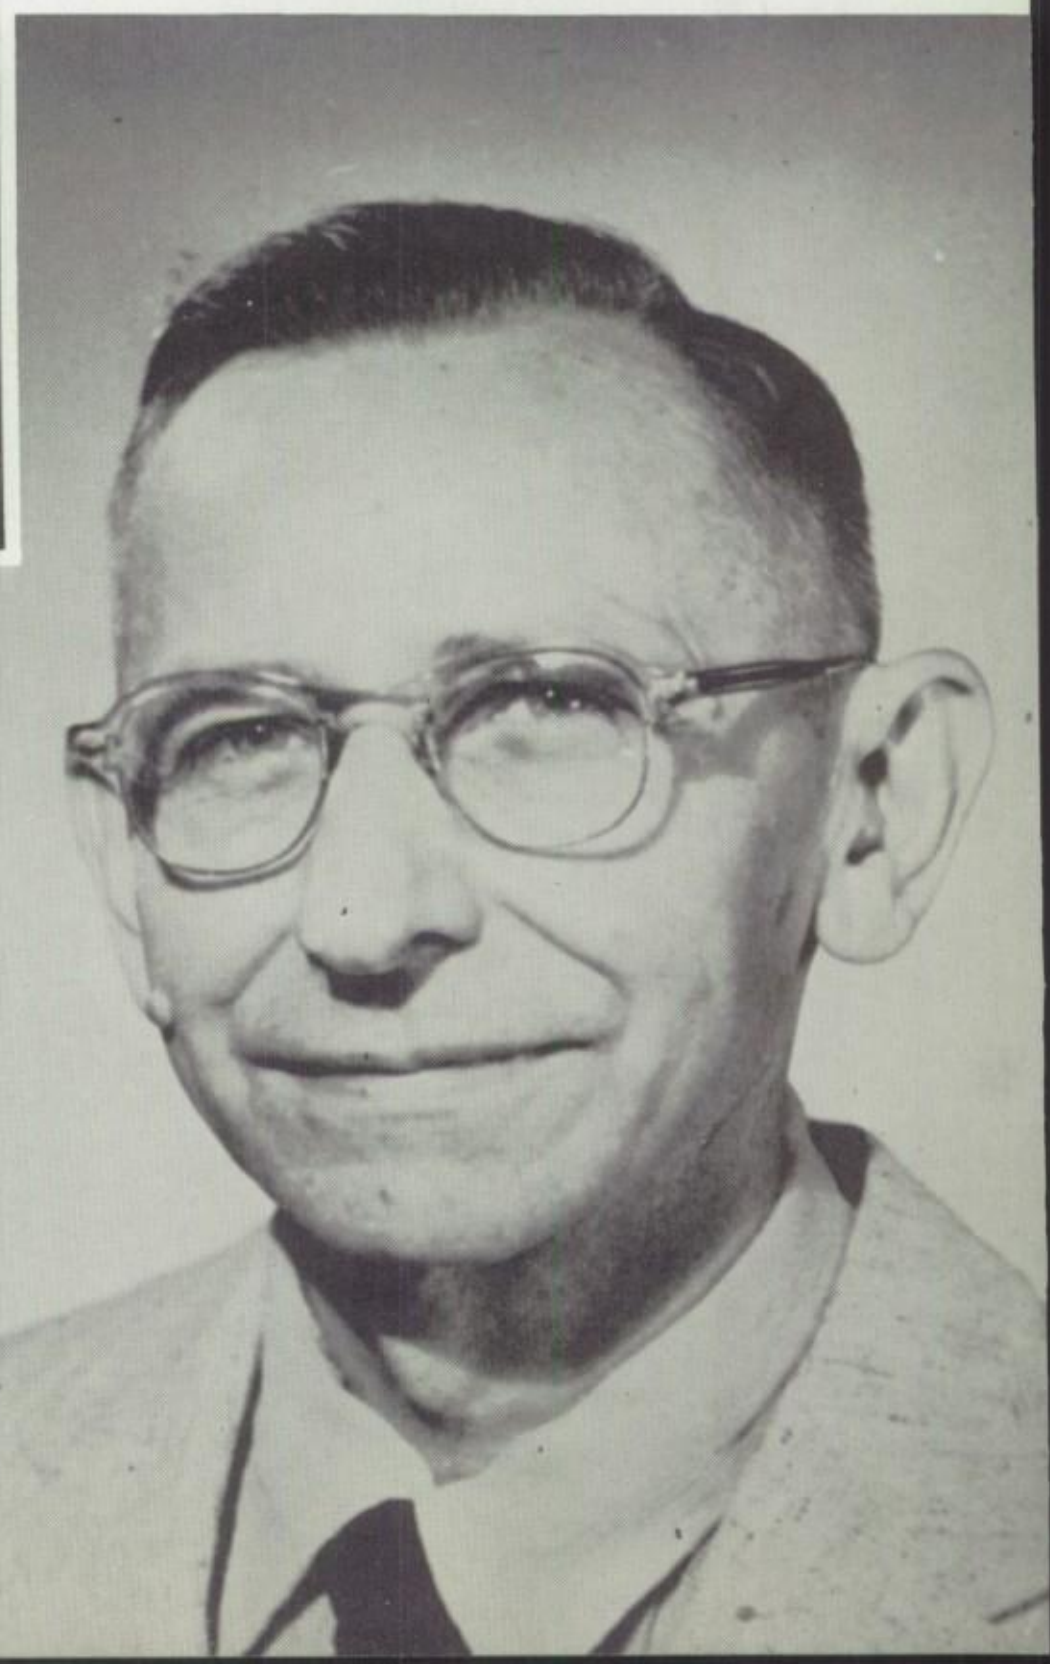
Dedication

As the end of this school term nears, the students of the Gillespie Community High School will say fond farewells to three beloved teachers, Michael Polonuis, Grace Baker, and Louis Philippe. We will all remember these three as people who prepared us for adult life, and take great pleasure in dedicating this yearbook to them. It is the least we can do for them who have done so much for us.

MRS. GRACE BAKER

As the doors to another school year slowly close, one of the teachers retiring this year is Mrs. Grace Baker, freshmen physical education teacher. Mrs. Baker earned her B. A. at Shurtleff College in Alton and did graduate work at Western Illinois University at Macomb. She began her teaching career at Gerdes Country School teaching all subjects from first to eighth grades. She has since taught social studies, general science, biology, English, and girls' physical education. Besides being a teacher, she has succeeded in being a housewife, mother, and camp counselor.

The faculty and students of the Benld Attendance Center will be losing a good friend and teacher when Mrs. Baker leaves. They have gained much by knowing her and working with her. Good luck in all your future plans, Mrs. Baker!



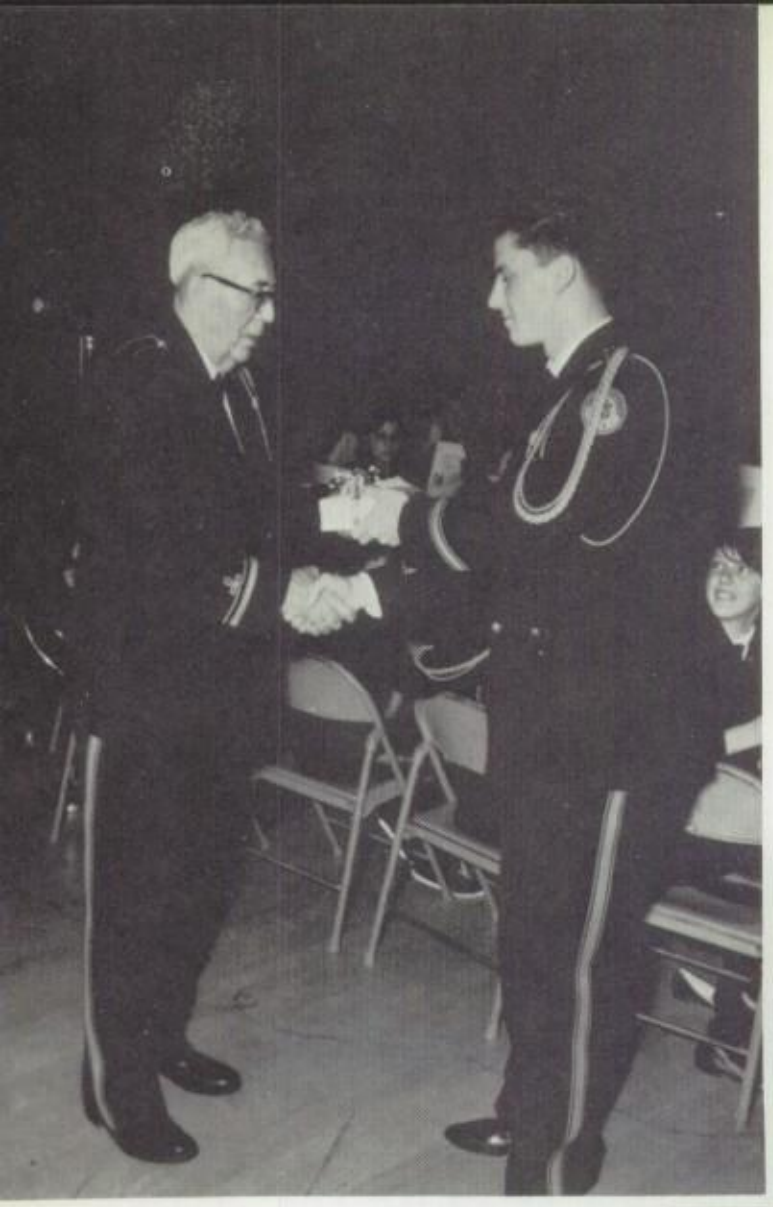
MR. MICHAEL POLONIUS

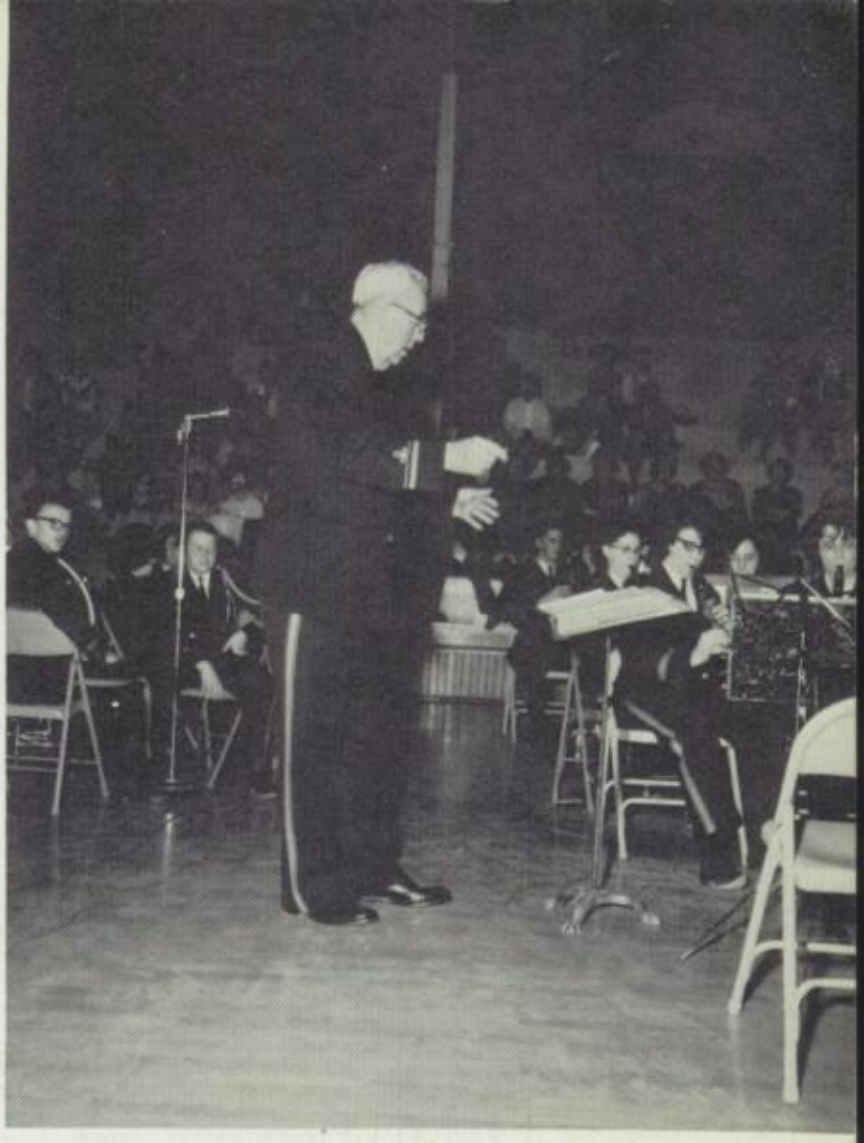
Also retiring this year is Mr. Michael Polonius, civics and history teacher at Benld. During his high school days, Mr. Polonius was a star basketball player and baseball pitcher. While furthering his education at Blackburn College, he played center on the football team. After deciding on law as his career, he practiced in Benld for several years before turning to teaching. As he ends his many years of teaching, we wish him a happy and well-deserved retirement.

LOUIS PHILIPPE
Band Director

Louis Philippe was born March 3, 1896, in Lens, France. He began taking coronet lessons at the age of eight years. In 1912, his family moved to America, settling in Livingston, Illinois. When he was twelve years old, he was playing in the city band in Livingston. Later, he organized a grade school band in Wilsonville. At the time, he was taking coronet lessons in St. Louis, but decided to further his education in music. He studied at Vandercook College in Chicago, and later graduated from McKendree College. Among the towns in which he has taught in the last 28 years are Livingston, Worden, Troy, Wilsonville, Edwardsville, Bethalto, Gillespie and Benld. His work has always been of the best quality. His students have always loved and respected him. On April 24, 1964, Mr. Philippe gave his final concert. Under his direction, the bands of Unit District No. 7 gave one of the finest concerts ever performed. Mr. Philippe received many tokens of appreciation from his former students that night. Surely, it was a night he will always remember--a night with which his students were proud to honor him.

Band





Sports

The 1963-64 sports season was the "Golden Age" of G.H.S.'s history. Our basketball team rose to win the Macoupin County Championship, and tied for the Conference Championship. Our football, baseball, and track teams also led us on to many proud victories. The Gillespie athlete, through competing in teams and in individual competition, gradually establishes a sense of deep respect for and from his athletic colleagues and competitors and a feeling of righteous equality. This being true, he will witness his spiritual and mental growth as he does his physical.

Honor Section

Qualifying for the National Honor Society is one of the greatest honors a student can have. Members are chosen by the faculty on the basis of character, scholarship, leadership, and service. Parents, faculty, and school board members attended the annual banquet given in honor of these students. Afterwards, Honor Society officers initiated the twelve new members during an impressive candelight ceremony. These members pledged always to uphold the ideals for which they were chosen.

GREETINGS

Dist. 7 F.F.A. Initiates 'Green Hands'

(By Pete Skuba).

The Community Unit Dist. 7 chapter of the Future Farmers of America held their meeting last Thursday, with Maynard Boedecker presiding.

The following "green - hands" were initiated: Dave Brown, Larry Daugherty, John Janus, David Link, Harry Pinkerton, John Price, Bill Rhoads, Rick Stinnett, Jim Watson and Tony Largio.

On Saturday a livestock judging team from the chapter participated in the sectional livestock contest. Members of the team were Dave Reiniesch, David Link, John Janus, Rick Stinnett, and Pete Skuba.

On Saturday, a meat judging team from the Dist. 7 chapter participated in the state meat judging contest. Members of this team were John Janus, Jim Watson and Pete Skuba. Final scores and placing for the contest have not been made

CHAMP SALESMAN

David Link, a freshman, son of Mr. and Mrs. Gerald Link, has been named outstanding salesman of light bulbs in the Gillespie chapter's recent fund raising drive.

David sold 520 light bulbs of the total of 2,400 sold. Profits from the sale of these light bulbs will be used to finance the chapter's activities during the year. These activities include the annual parent and son dinner; delegates to the state convention and officers leadership training school, and the F.F.A. public speaking contest and banquet.

Jim Watson finished second in the contest with his sale of 449 bulbs, and Keith Mohr was third with a sale of 360.

"My pa made a scarecrow so good that crows would not come within five miles of his farm."

"My pa did better than that; his scarecrow was so good, the crows brought back the corn they stole the previous year."

F.H.A. Initiation and Week

Officers Installed at F.H.A. Meeting

The Gillespie Future Homemakers of America conducted the formal installation of the Benld F.H.A. officers and members in a ceremony held last Wednesday evening at the Benld school gym.

Mrs. Alice Warburton, chapter adviser, presided at tea immediately following the installation service with chapter mothers assisting. The home economics room was appropriately decorated, and soft Christmas music filled the air as guests enjoyed the refreshments of Christmas punch, cookies, coffee and tea.

Despite the cold and snow, the installation was well attended.
